

Lisa Foster-Morrow, CET

After graduation from Wesleyan College in Macon, Georgia, Lisa began her career in manufacturing with Lithonia Lighting in 1990. Lisa has worked for a variety of corporations in roles from Corporate Training and Development, Human Resources, Operations Management, Risk Management, and Environmental Health and Safety. In 1998 Lisa began her career with BorgWarner as a Human Resources Manager with responsibilities for Environmental, Health and Safety programs in Spring Lake, Michigan. Lisa transferred to the BorgWarner Turbo Systems facility in Asheville as the Environmental Health and Safety Specialist in 1999. Lisa moved to Continental in 2007 as a Senior ESH Administrator. Lisa is a member of various organizations including The Society for Human Resource Management, American Society of Safety Engineers, National Safety Council, and National Environmental Safety and Health Training Association. Lisa is also a North Carolina Medical Responder and an OSHA outreach trainer for both General Industry and Construction. Lisa is a board member and Program Committee Chairman for the Western NC Safety & Health School and Secretary of the Western North Carolina Safety Council. Lisa holds an Advanced Certificate in Industrial Safety and Health, and Advanced Certificate in Construction Safety and Health, and a Premier Certificate in Occupational Safety and Health through Georgia Technical Institute in Atlanta, Georgia. Lisa has also successfully completed the examination for a Certified Environmental Safety and Health Trainer in Occupational Safety and Health. Lisa resides in Fletcher, North Carolina with her husband Kirk, daughter Payton, and son Grayson.
