

Jonathan S. Gobble
Director – Safety, Health &
Environmental Services
WCI, Inc.
828-210-1213 jgobble@wciinc.org

Jonathan has 23 years of experience in Health & Safety in both General Industry and Construction. He also has 17 years in the Hazardous Waste industry as a safety officer and training instructor. He has trained over two thousand workers in HAZWOPER courses (including the Canadian Navy, Airforce, Army, EOD divers, and base firefighters) and over 500 workers in Confined Space Entry. While working for North America's largest environmental company, Laidlaw Environmental Services (Clean Harbors), he served as a Health & Safety Officer and Western Region Training Coordinator. Jonathan has extensive experience in hazardous waste disposal and hazardous waste site project management. He is a member of Balsam Fire Department and is a Hazardous Materials Specialist in railcar emergency response and Incident Commander. He holds a Bachelor of Science degree in Environmental Health from Western Carolina University. He is also an OSHA authorized trainer for the 10 and 30 hour General Industry and Construction Outreach Training Courses.
