

Marc Scripps, Eaton Corporation, Asheville, NC

Marc currently works as the Environmental, Health and Safety Manager for Eaton-Electrical, where he is responsible for leading the site's EHS efforts. The Eaton site achieved Carolina Star recognition in 2008 and is also ISO 14001 certified.

Marc has approximately 20 years experience with various manufacturing sites in NC as a trainer and consultant specializing in EHS issues. He also participates with SWEEP, a Rutherford County volunteer waste minimization and recycling group.

Marc lives in Rutherfordton, NC with his wife and three children.
