August 2, 2011

Dear Friend:

This letter is to request your consideration in supporting the 12th annual Western North Carolina Safety & Health Conference held in Asheville, North Carolina as a sponsor. This year's event will be held at the Doubletree Biltmore November 7-9, 2011. We are able to accomplish this task only with the generous sponsorship from companies like yours.

An exciting conference is planned with classes instructed by regional experts, a golf tournament, exhibitors, networking opportunities, special events, and group sessions. Day one will include options of all day developmental workshop courses. We are partnering with Georgia Institute of Technology's Research Institute to conduct an NFPA70E Electrical Safety Work Practices course and an Industrial Hygiene Course for Safety Professionals. A CPR/AED/First Aid certification course as well as a Worker's Compensation Workshop will be offered on day one of the event. We have several dynamic keynote speakers and many breakout sessions for professional development planned for days two and three of the conference.

As a reminder, the Board is a non-profit organization and tax deduction documentation can be provided for all contributions. We feature logos for all Sponsors in all communications for the event as well as on our website. Details about the event can be found on our website at www.wncsafetyschool.com. We appreciate your past support and look forward to many years of association with your company. A brochure of sponsorship opportunities as well as general conference information is included in this packet. We can also design other options for sponsorship to meet your budget and goals.

Thank you for your interest and support in helping maintain quality training at a reasonable cost for this area. If you have any questions, please contact Cathy Coomer at Cathy.Coomer@buncombcounty.org. We look forward to hearing from you soon.

Sincerely,

Dee Queen
Board President
2011 Western North Carolina Safety and Health School Board
