Dear Friend:

This letter is to request your consideration in supporting the 8<sup>th</sup> annual Western NC Safety & Health School in Asheville, NC as a sponsor. Dates for the school are November 8<sup>th</sup> & 9<sup>th</sup>, 2007. This year's event will be held at the newly renovated Crowne Plaza.

Our school typically has a flow of 400 people including HR managers, safety managers, medical professionals, industry owners and workers. Our program brings quality speakers of timely subject matter to the business professionals of the surrounding Western Carolina/Eastern Tennessee area. We are able to accomplish this task only with the generous sponsorship from companies like yours.

This year's program will include Wellness in the Workplace, Fall Protection, Homeland Security, Respiratory Issues, health related topics, workers compensation and OSHA emphasis & inspection. We have listened to our attendees and exhibitors and have made some changes we are excited to announce. This year we will be able to have *outdoor demonstrations, mobile units and other educational opportunities!* We are carefully crafting a program that addresses the needs of many different industries, including construction, medical, manufacturing and products as well as government and small businesses.

We appreciate your past support of the school and look forward to many years of association with your company.

We are offering several levels of sponsorship as listed below:

Platinum Level	\$2,500.00 and up
Sponsors name/logo appears in program, brochure, and large print on banner and on website	
Gold Level	\$2,000.00
